PROFIT WARNING FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2012

The Board of Directors of Intraco Limited (the “**Company**”), having conducted a preliminary review of the draft financial results of the Company and its subsidiaries (the “**Group**”) for the financial year ended 31 December 2012 (“**FY2012**”), would like to inform shareholders that the Company is expected to incur a loss.

Based on information available, the Board considers it is prudent to make provisions for doubtful debts and write-down in value of inventory, which will likely result in a loss for FY2012.

The Company will be announcing its FY2012 results before 1 March 2013. Further details of the Group’s performance will be disclosed in the announcement.

In the meantime, shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take should consult their stockbrokers, bank managers, solicitors accountants or other professional advisers.
