Dear Sir/Madam

THE PROPOSED ADOPTION OF A SHARE BUYBACK MANDATE AND A NEW CONSTITUTION

1. INTRODUCTION

- 1.1 The Directors are convening the EGM to be held at The National University of Singapore Society, Guild Hall, Kent Ridge Guild House, 9 Kent Ridge Drive, Singapore 119241 on 18 April 2019 at 10.45 a.m. (or such time immediately following the conclusion or adjournment of the annual general meeting of the Company to be held at 10.00 a.m. on the same day and at the same place), to seek the approval of Shareholders for the proposed Share Buyback Mandate and the adoption of the New Constitution.
- 1.2 The proposed adoption of the New Constitution is set out as a special resolution in the Notice of EGM accompanying this Circular.
- 1.3 The purpose of this Circular is to provide Shareholders with information relating to the proposed Share Buyback Mandate and the adoption of the New Constitution, which will be tabled at the EGM for Shareholders' approval.
- 1.4 The SGX-ST assumes no responsibility for the accuracy or correctness of any statements or opinions made, or reports contained in this Circular.
- 1.5 Shareholders who are in any doubt as to the course of action they should take should consult their stockbroker, bank manager, solicitor, accountant or other professional advisers immediately.

LETTER TO SHAREHOLDERS

2. BACKGROUND AND RATIONALE FOR THE SHARE BUYBACK MANDATE

2.1 Background

Any purchase or acquisition of Shares by the Company would have to be made in accordance with, and in the manner prescribed by, the Companies Act, the Listing Manual and such other laws and regulations as may for the time being, be applicable. Article 69(2) of the Company's Existing Constitution expressly permits the Company to purchase or otherwise acquire its issued Shares on such terms and in such manner as the Company may from time to time think fit and in the manner prescribed by the Companies Act and the Listing Manual.

It is also a requirement under the Companies Act that a company which wishes to purchase or otherwise acquire its own shares should obtain the approval at a general meeting of its shareholders.

The Company is accordingly proposing to seek the approval of Shareholders to authorise the Directors to buy back issued and fully paid Shares in the capital of the Company in accordance with the terms set out in this Circular as well as the rules and regulations set forth in the Companies Act and the Listing Manual.

2.2 Rationale

The rationale for the adoption of the Share Buyback Mandate to allow the Company to undertake a purchase or acquisition of its Shares is as follows:–

- (a) the Share Buyback Mandate provides the Company with greater flexibility in managing its capital, share capital structure and maximising returns to its Shareholders. Share Buyback at the appropriate price level is one of the ways through which the return on equity of the Company may be enhanced;
- (b) the Share Buyback is an expedient, effective and cost efficient way to facilitate the return of surplus funds which are in excess of the Company's financial needs, to the Shareholders; and
- (c) the adoption of the Share Buyback Mandate provides the Directors the flexibility to undertake Share Buyback at any time, subject to market conditions, during the period when the Share Buyback Mandate is in force.

The Share Buyback will only be undertaken if it can benefit the Company and Shareholders. While the Share Buyback Mandate would authorise a Share Buyback up to a 10% limit during the period described in paragraph 3.2 below, it should be noted that Share Buyback may or may not be carried out to the full 10% limit as authorised. No purchase or acquisition of Shares will be made in circumstances which would have or may have a material adverse effect on the listing status of the Shares on the SGX-ST, the liquidity and capital adequacy positions of the Company or the Group as a whole.

LETTER TO SHAREHOLDERS

3. AUTHORITY AND LIMITS OF THE SHARE BUYBACK MANDATE

The authority and limitations placed on the purchases or acquisitions of Shares by the Company under the Share Buyback Mandate, for which the approval is sought, are summarised below:–

3.1 Maximum Number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company. The total number of Shares which may be purchased or acquired by the Company is limited to that number of Shares (excluding any Shares which are held as treasury shares and subsidiary holdings) representing not more than 10% (“**Maximum Percentage**”) of the issued Shares as at the date of the EGM at which the Share Buyback Mandate is approved.

For illustrative purposes, on the basis of 103,725,879 Shares in issue as at the Latest Practicable Date and assuming that prior to the EGM:–

- (a) no further Shares are issued;
- (b) the Company does not reduce its share capital; and
- (c) no Shares are held as subsidiary holdings,

not more than 10,372,588 Shares (representing 10% of the issued and paid-up Shares (excluding treasury shares and subsidiary holdings) as at that date) may be purchased or acquired by the Company pursuant to the proposed Share Buyback Mandate.

As at the Latest Practicable Date, the Company does not hold any treasury shares nor does any of its subsidiaries hold any subsidiary holdings.

3.2 Duration of Authority

If the proposed adoption of the Share Buyback Mandate is approved by the Shareholders in the EGM, purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the date of EGM, up to:

- (a) the date on which the next annual general meeting of the Company is held or required by law to be held;
- (b) the date on which purchases and acquisitions of Shares pursuant to the Share Buyback Mandate are carried out to the full extent mandated; or
- (c) the date on which the authority conferred by the Share Buyback Mandate is revoked or varied by the Shareholders in a general meeting,

whichever is the earliest.

LETTER TO SHAREHOLDERS

3.3 Manner of Purchases or Acquisitions of Shares

3.3.1 Purchases or acquisitions of Shares may be made by way of:–

- (a) on-market purchase(s) (“**Market Purchases**”), transacted on the SGX-ST or on any other securities exchange on which the Shares may for the time being be listed and quoted, through one or more duly licensed dealers appointed by the Company for the purpose; and/or
- (b) off-market purchase(s) (“**Off-Market Purchases**”), otherwise than on a securities exchange, in accordance with an equal access scheme as provided under Section 76C of the Companies Act.

3.3.2 Off-Market Purchases

The Directors may impose such terms and conditions which are not inconsistent with the Share Buyback Mandate, the Listing Manual and the Companies Act, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes. An equal access scheme must, however, satisfy all the following conditions:

- (a) offers for the purchase or acquisition of Shares shall be made to every person who holds Shares, to purchase or acquire the same percentage of their Shares;
- (b) all of the abovementioned persons shall be given a reasonable opportunity to accept the offers made to them; and
- (c) the terms of all the offers shall be the same, except that there shall be disregarded:–
 - (i) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements;
 - (ii) differences in consideration attributable to the fact that the offers may relate to Shares with different amounts remaining unpaid; and
 - (iii) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

If the Company wishes to make an Off-Market Purchase in accordance with an equal access scheme, it will issue an offer document containing at least the following information:–

- (a) the terms and conditions of the offer;
- (b) the period and procedures for acceptances;
- (c) the reasons for the proposed purchase or acquisition of Shares;
- (d) the consequences, if any, of the purchases or acquisitions of Shares by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (e) whether the purchases or acquisitions of Shares, if made, could affect the listing of the Shares on the SGX-ST;

LETTER TO SHAREHOLDERS

- (f) details of any purchases or acquisitions of Shares made by the Company in the previous 12 months (whether by way of Market Purchases or Off-Market Purchases), giving the total number of Shares purchased or acquired, the purchase price per Share or the highest and lowest prices paid for the purchases or acquisitions, where relevant, and the total consideration paid for the purchases or acquisitions of Shares; and
- (g) whether the Shares purchased by the Company will be cancelled or kept as treasury shares.

3.4 Purchase Price

The purchase price (excluding related brokerage, commission, applicable goods and services tax, stamp duties, clearance fees and other related expenses) to be paid for a Share will be determined by the Directors.

However, the maximum purchase price to be paid for the Shares (excluding related expenses of the purchase or acquisition) as determined by the Directors must not exceed:–

- (a) in the case of a Market Purchase, 105% of the Average Closing Price of the Shares (“**Maximum Market Purchase Price**”); and
- (b) in the case of an Off-Market Purchase pursuant to an equal access scheme, 120% of the Average Closing Price of the Shares (“**Maximum Off-Market Purchase Price**”).

For the above purposes:–

“**Average Closing Price**” means the average of the closing market prices of a Share over the last five (5) Market Days on which the Shares are transacted on the SGX-ST immediately preceding the day of the Market Purchase or, as the case may be, the day of the making of the offer pursuant to the Off-Market Purchase, and deemed to be adjusted for any corporate action that occurs after such five (5) Market Days period; and

“**day of the making of the offer**” means the day on which the Company announces its intention to make an offer for the purchase or acquisition of Shares from Shareholders, stating the purchase price (which shall not be more than the Maximum Off-Market Purchase Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

The Listing Manual restricts a listed company from purchasing Shares by way of Market Purchases at a price per Share which is more than 5% above the Average Closing Price.

Although the Listing Manual does not prescribe a maximum price in relation to Off-Market Purchases, the Company has set a cap of 20% above the Average Closing Price of a Share as the maximum price for a Share to be purchased or acquired by way of Off-Market Purchases.

3.5 Purchased Shares deemed cancelled unless held as treasury shares

Shares purchased or acquired by the Company are deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Shares will expire on such cancellation), unless such Shares are held by the Company as treasury shares in accordance with Section 76H of the Companies Act.

LETTER TO SHAREHOLDERS

3.6 Treasury Shares

Under the Companies Act, the Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Companies Act are summarised below:–

3.6.1 Maximum Holdings

The aggregate number of Shares held as treasury shares cannot at any time exceed 10% of the total number of issued Shares. Any Shares held as treasury shares in excess of such limit shall be disposed of or cancelled by the Company in accordance with Section 76K of the Companies Act within six (6) months from the date such limit is exceeded, or such further period as may be allowed by the ACRA.

3.6.2 Voting and Other Rights

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company's assets may be made, to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. A subdivision or consolidation of any treasury share is also allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

3.6.3 Disposal and Cancellation

Where Shares are held as treasury shares, the Company may at any time but subject always to the Take-over Code:–

- (a) sell the treasury shares for cash;
- (b) transfer the treasury shares for the purposes of or pursuant to any share scheme, whether for employees, Directors or other persons;
- (c) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (d) cancel the treasury shares; or
- (e) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

Pursuant to Rule 704(28) of the Listing Manual, an immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares. Such announcement must include details such as the date of the sale, transfer, cancellation and/or use of such treasury shares, the purpose of such sale, transfer, cancellation and/or use of such treasury shares, the number of treasury shares which have been sold, transferred, cancelled and/or used, the number of treasury shares before and after such sale, transfer, cancellation and/or use, the percentage of the number of treasury shares against the total number of issued shares (of the same class as the treasury shares) which are listed on the SGX-ST before and after such sale, transfer, cancellation and/or use, and the value of the treasury shares if they are used for a sale or transfer, or cancelled.

LETTER TO SHAREHOLDERS

3.7 Source of Funds

The Company may purchase or acquire its own Shares out of capital as well as from its profits, in accordance with the Constitution and applicable laws. It may use internal resources or external borrowings, or a combination of both, to finance its purchase or acquisition of Shares pursuant to the Share Buyback Mandate.

The Directors do not propose to exercise the Share Buyback Mandate in a manner and to such extent that the liquidity and capital adequacy position of the Company would be materially adversely affected. The purchase of the Shares will only be effected after considering relevant factors such as the working capital requirement, availability of financial resources, the expansion and investment plans of the Company, and the prevailing market conditions.

4. FINANCIAL EFFECTS

It is not possible for the Company to realistically calculate or quantify the financial effects of purchases of Shares that may be made pursuant to the Share Buyback Mandate as the resultant effect would depend on, *inter alia*, the aggregate number of Shares purchased, whether the purchase is made out of capital or profits, the purchase prices paid for such Shares, the amount (if any) borrowed by the Company to fund the purchases or acquisitions and whether the Shares purchased or acquired are cancelled or held as treasury shares.

Under the Companies Act, purchases or acquisitions of Shares by the Company may be made out of the Company's capital or profits so long as the Company is solvent. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration (excluding related expenses) will correspondingly reduce the amount available for the distribution of cash dividends by the Company. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

Purely for illustrative purposes only, and based on the assumptions set out below:–

- (a) based on 103,725,879 Shares in issue as at the Latest Practicable Date (the Company does not hold any treasury shares and subsidiary holdings) and assuming no further Shares are issued and the Company does not hold any treasury shares and subsidiary holdings on or prior to the EGM, not more than 10,372,588 Shares (representing 10% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) as at that date) may be purchased or acquired by the Company pursuant to the Share Buyback Mandate;
- (b) in the case of Market Purchases by the Company and assuming that the Company purchases or acquires 10,372,588 Shares at the Maximum Market Purchase Price of S\$0.272 for one (1) Share (being the price equivalent to 105% of the Average Closing Price of the Shares for the five (5) Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 10,372,588 Shares (excluding ancillary expenses such as related brokerage, commissions, goods and services tax, stamp duties and clearance fees) is approximately S\$2,821,344;

LETTER TO SHAREHOLDERS

- (c) in the case of Off-Market Purchases by the Company and assuming that the Company purchases or acquires 10,372,588 Shares at the Maximum Off-Market Purchase Price of S\$0.311 for one (1) Share (being the price equivalent to 120% of the Average Closing Price of the Shares for the five (5) Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 10,372,588 Shares (excluding ancillary expenses such as related brokerage, commissions, goods and services tax, stamp duties and clearance fees) is approximately S\$3,225,875;
- (d) the consideration for the purchase or acquisition of Shares is financed entirely by internal resources of the Company;
- (e) the purchase or acquisition of Shares took place at the beginning of FY2018 on 1 January 2018; and
- (f) the transaction costs incurred for the purchase or acquisition of Shares pursuant to the Share Buyback Mandate were insignificant and have been ignored for the purpose of computing the financial effects,

the financial effects of the:

- (i) Market Purchase of 10,372,588 Shares by the Company pursuant to the Share Buyback Mandate which is made entirely out of capital and held as treasury shares;
- (ii) Market Purchase of 10,372,588 Shares by the Company pursuant to the Share Buyback Mandate which is made entirely out of capital and cancelled;
- (iii) Off-Market Purchase of 10,372,588 Shares by the Company pursuant to the Share Buyback Mandate which is made entirely out of capital and held as treasury shares; and
- (iv) Off-Market Purchase of 10,372,588 Shares by the Company pursuant to the Share Buyback Mandate which is made entirely out of capital and cancelled,

on the audited financial statements of the Group and the Company for FY2018 are set out in the following pages.

The financial effects of the acquisition of Shares by the Company pursuant to the Share Buyback Mandate by way of purchases made out of profits are similar to that of purchases made out of capital. Therefore, only the financial effects of the acquisition of Shares pursuant to the Share Buyback Mandate by way of purchases made out of capital are set out in this Circular.

Shareholders should note that the financial effects set out above are purely for illustrative purposes only and are based on the assumptions set out above and not indicative of the future financial performance or results of the Company and/or the Group. Although the proposed Share Buyback Mandate would authorise the Company to purchase or acquire up to 10% of the total number of issued Shares (excluding treasury shares and subsidiary holdings), the Company may not necessarily purchase or acquire, or be able to purchase or acquire, the entire 10.0% of the total number of its issued Shares (excluding treasury shares and subsidiary holdings). In addition, the Company may cancel all or part of the Shares purchased or acquired, or hold all or part of the Shares purchased or acquired in treasury.

LETTER TO SHAREHOLDERS

5. OBLIGATIONS UNDER LISTING MANUAL

5.1 Dealing in Shares

While the Listing Manual does not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase or acquisition of Shares at any time after a price sensitive development has occurred or has been the subject of a decision, until the price sensitive information has been publicly announced.

In particular, in line with the Principles of Best Practice issued by SGX-ST in December 2017 and in order to comply with Rule 1207(19) of the Listing Manual, the Company will not purchase or acquire any Shares through Market Purchases commencing two weeks before the announcement of the Company’s financial statements for each of the first three quarters of its financial year and one month before the announcements of the Company’s full year financial statements (if required to announce quarterly financial statements), or one month before half year and full year financial statements (if not required to announce quarterly financial statements), as the case may be, and ending on the date of announcement of the relevant results.

5.2 Free float

Rule 723(1) of the Listing Manual requires a listed company to ensure that at least 10% of the total number of issued shares (excluding treasury shares, preference shares and convertible equity securities) in a class that is listed, is at all times held by public shareholders.

Based on the Register of Substantial Shareholders and Register of Directors’ Shareholdings as at the Latest Practicable Date, approximately 39.14% of the issued Shares are held by public shareholders. Assuming that the maximum 10% of the total issued share capital was bought back on the Latest Practicable Date, the public float will be 32.37% as set out in the table below.

	Before Buyback (as at Latest Practicable Date)	After Buyback (as at Latest Practicable Date)
Public Float	39.14%	32.37%

Accordingly, the Company is of the view that there is a sufficient number of the Shares held by public Shareholders which would permit the Company to undertake purchases or acquisitions of its Shares through Market Purchases up to the full 10% limit pursuant to the Share Buyback Mandate, without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity.

Although the Share Buyback Mandate would authorise the Company to purchase or acquire up to 10% of its issued Shares (excluding treasury shares), the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire 10% of the issued Shares (excluding treasury shares). In particular, the Directors do not intend to exercise the Share Buyback Mandate up to the maximum limit and to such an extent if such exercise would result in the loss of the public float and to affect orderly trading.

LETTER TO SHAREHOLDERS

5.3 Reporting requirements

Rule 886(1) of the Listing Manual specifies that a listed company shall report all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m.:–

- (a) in the case of a Market Purchase, on the Market Day following the day of purchase or acquisition of any of its shares; and
- (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer.

Such announcement must include, *inter alia*, details of the date of the purchase, the total number of shares purchased, the number of shares cancelled, the number of shares held as treasury shares, the purchase price per share or the highest and lowest prices paid for such shares (as applicable), the total consideration (including stamp duties and clearing charges) paid or payable for the shares, the number of shares purchased as at the date of announcement (on a cumulative basis), the number of issued shares excluding treasury shares and subsidiary holdings after the purchase, the number of treasury shares held after the purchase and the number of subsidiary holdings after the purchase.

5.4 Share Buybacks in the Previous 12 Months

The Company has not entered into transactions to purchase or acquire any Shares during the 12 months immediately preceding the Latest Practicable Date.

5.5 Taxation

Shareholders who are in doubt as to their respective tax positions or any such tax implications or who may be subject to tax in a jurisdiction other than Singapore shall consult their own professional advisers.

6. OBLIGATIONS UNDER THE TAKE-OVER CODE

Appendix 2 to the Take-over Code contains the Share Buyback Guidance Note applicable as at the Latest Practicable Date. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below:–

6.1 Obligation to Make a Take-over Offer

If, as a result of any purchase or acquisition by the Company of its Shares, the proportionate interest in the voting capital of the Company of a Shareholder and persons acting in concert with him/her increases to 30% or more or, if the Shareholder and persons acting in concert with him/her holds between 30% and 50% of the Company's voting capital, would increase by more than 1% in any 6-months' period, such Shareholder or group of Shareholders acting in concert could become obliged to make a take-over offer for the Company under Rule 14 of the Take-over Code.

LETTER TO SHAREHOLDERS

6.2 Persons Acting in Concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), cooperate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company.

Unless the contrary is established, the following persons will be presumed to be acting in concert with each other:—

- (a) a company with its parent company, subsidiaries, its fellow subsidiaries, any associated company of the above companies, any company whose associated companies include any of the above companies and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above companies for the purchase of voting rights. For this purpose, a company is an associated company of another company if the second company owns or controls at least 20% but not more than 50% of the voting rights of the first-mentioned company;
- (b) a company with any of its directors (together with their close relatives, related trusts and any company controlled by any of the directors, their close relatives and related trusts);
- (c) a company with any of its pension funds and employee share schemes;
- (d) a person with any investment company, unit trust or other fund whose investment such person manages on a discretionary basis, but only in respect of the investment account which such person manages;
- (e) a financial or other professional adviser, including a stockbroker, with its client in respect of the shareholdings of the adviser and the persons controlling, controlled by or under the same control as the adviser, and all the funds which the adviser manages on a discretionary basis, where the shareholding of the adviser and any of those funds in the client total 10.0% or more of the client's equity share capital;
- (f) directors of a company (together with their close relatives, related trusts and companies controlled by any of such directors, their close relatives and related trusts) which is subject to an offer where they have reason to believe a *bona fide* offer for their company may be imminent;
- (g) partners; and
- (h) an individual, his close relatives, his related trusts, any person who is accustomed to act according to his instructions, companies controlled by any of the foregoing, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights.

The circumstances under which the Shareholders (including the Directors) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

LETTER TO SHAREHOLDERS

6.3 Effect of Rule 14 and Appendix 2 of the Take-over Code

In general terms, the effect of Rule 14 and Appendix 2 is that, unless exempted, Directors of the Company and persons acting in concert with them will incur an obligation to make a take-over offer for the Company under Rule 14 if, as a result of the Company purchasing or acquiring its Shares:

- (a) the voting rights of such Directors and their concert parties would increase to 30% or more; or
- (b) if the voting rights of such Directors and their concert parties fall between 30% and 50% of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than 1% in any period of six (6) months.

In calculating the percentages of voting rights of such Directors and their concert parties, treasury shares shall be excluded.

Under Appendix 2, a Shareholder not acting in concert with the Directors of the Company will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder in the Company would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six (6) months. Such Shareholder need not abstain from voting in respect of the resolution authorising the adoption of the Share Buyback Mandate.

Shareholders who are in doubt as to their obligations, if any, to make a mandatory take-over offer under the Take-over Code as a result of any purchase or acquisition of Shares by the Company should consult the Council and/or their professional advisers at the earliest opportunity.

LETTER TO SHAREHOLDERS

Save as disclosed above, the Directors are not aware of any facts or factors which suggest or imply that any particular person(s) and/or Shareholder(s) are, or may be regarded as, parties acting in concert such that their respective interest in voting shares in the capital of the Company should or ought to be consolidated, and consequences under the Take-over Code would ensue as a result of a purchase or acquisition of Shares by the Company pursuant to the Share Buyback Mandate.

6.5 Dispensation from Rule 14

Pursuant to Section 3(a) of Appendix 2 of the Take-over Code, the Chew Family Concert Party Group and the Ng Family Concert Party Group (each a “**Relevant Concert Party Group**”) will be exempted from the requirement to make a general offer under Rule 14 of the Take-over Code as a result of any Share Buyback carried out by the Company pursuant to the Share Buyback Mandate, subject to the following conditions:–

- (a) this Circular contains advice to the effect that by voting for the adoption of the Share Buyback Mandate, Shareholders are waiving their right to a general offer at the required price from each Relevant Concert Party Group, who as a result of the company buying back its shares, would increase their voting rights to 30% or more, and the names of each member of the Relevant Concert Party Groups, their voting rights at the time of the resolution relating to the Share Buyback Mandate (which is the date of the EGM) and after the proposed Share Buyback are disclosed in this Circular;
- (b) the resolution to authorise a share buyback to be approved by a majority of those Shareholders present and voting at the meeting on a poll who could not become obliged to make an offer as a result of the share buyback;
- (c) each member of the Relevant Concert Party Groups will abstain from voting for and/or recommending Shareholders to vote in favour of the resolution to authorise the share buyback;

Please see paragraph 12 below regarding the abstention from voting by the members of the Relevant Concert Party Groups.

- (d) within 7 days after the passing of the resolution to authorise a buyback, Mr Tony Chew Leong Chee, Mr Charlie Ng How Kiat, Mr Roland Ng San Tiong and Dr Steve Lai Mun Fook submits to the Council a duly signed form as prescribed by the Council;
- (e) the Relevant Concert Party Groups have not acquired and will not acquire any shares between the date on which they know that the announcement of the share buyback proposal is imminent and the earlier of (“**Relevant Period**”):–
 - (i) the date on which the authority of the share buyback expires; and
 - (ii) the date on which the Company announces it has bought back such number of shares as authorised by Shareholders at the latest general meeting or it has decided to cease buying back its shares, as the case may be,

if such acquisitions, taken together with the Share Buyback, would cause their aggregate voting rights to increase to 30% or more.

LETTER TO SHAREHOLDERS

As such, if the aggregate voting rights held by either of the Relevant Concert Party Group increases to more than 30% solely as a result of the purchase or acquisition of Shares by the Company pursuant to the Share Buyback Mandate, and none of them has acquired any Shares during the Relevant Period, then the Relevant Concert Party Group would be eligible for the exemption from the requirement to make a general offer under Rule 14 of the Takeover Code, or where such exemption had been granted, would continue to enjoy the exemption.

If the Company has bought back such number of its Shares as authorised by Shareholders at the latest general meeting or has ceased to buy back its Shares and the aggregate voting rights held by either of the Relevant Concert Party Group at such time have increased to more than 30% as a result of the Company repurchasing its Shares, the Relevant Concert Party Group will incur a bid obligation for the Company if they purchase or acquire any additional voting rights in the Company (other than as a result of the Company buying back Shares under the Share Buyback Mandate) before the date of the Company's next annual general meeting is or is required to be held.

If the Company ceases to buy back its Shares and the increase in the aggregate voting rights held by either of the Relevant Concert Party Group as a result of the Share Buyback at such time is less than 30% during the Relevant Period, the Relevant Concert Party Group may acquire further voting shares in the Company. However, any increase in their respective percentage voting rights as a result of the Share Buyback will be taken into account together with any voting shares acquired by that Relevant Concert Party Group (by whatever means) in determining whether the said Relevant Concert Party Group has increased its aggregate voting rights in the Company to more than 30% during the Relevant Period.

As at the Latest Practicable Date, Mr Chew Leong Chee, Mr Charlie Ng How Kiat, Mr Roland Ng San Tiong and Dr Steve Lai Mun Fook have informed the Company that they will each be submitting the Form 2 to the Council within seven (7) days after the passing of the resolution relating to the adoption of the Share Buyback Mandate.

6.6 Advice to Shareholders

Shareholders are hereby advised that by voting in favour of the proposed adoption of the Share Buyback Mandate, they will be waiving their rights to receive a mandatory general offer for their Shares at the required price from the Ng Family Concert Party Group or the Chew Family Concert Party Group (as the case may be) who as a result of the Company buying back its shares, would increase their respective voting rights to 30% or more.

8. THE PROPOSED ADOPTION OF THE NEW CONSTITUTION OF THE COMPANY

- 8.1 **The Amendment Acts.** The 2014 Amendment Act and the 2017 Amendment Act, which were passed in Parliament on 8 October 2014 and 10 March 2017 respectively, introduced wide-ranging amendments to the Companies Act previously in force. The changes to the Companies Act pursuant to the Amendment Acts aim to improve corporate governance for companies in Singapore, reduce the regulatory burden on companies and provide for greater business flexibility.

The key changes under the 2014 Amendment Act include, *inter alia*, the introduction of a multiple proxies regime to enfranchise indirect investors and CPF investors, as well as provisions to facilitate the electronic transmission of notices and documents. In addition, what had been previously the memorandum and articles of association of a company have now merged into a single constitutive document called the “constitution”. The key changes under the 2017 Amendment Act, include, *inter alia*, the removal of the requirement for a common seal.

- 8.2 **New Constitution.** The Company is accordingly proposing to adopt the New Constitution, which consist of the applicable regulations under the Existing Constitution, and incorporate amendments to take into account the changes to the Companies Act introduced pursuant to the Amendment Acts. The proposed New Constitution also contains updated provisions which are consistent with the listing rules of the SGX-ST prevailing as at the Latest Practicable Date, in compliance with Rule 730(2) of the Listing Manual, as well as to address certain other changes to the law in Singapore such as the introduction of the Personal Data Protection Act 2012 (Cap. 26) of Singapore. The Company is also taking this opportunity to streamline and rationalise certain other provisions.

LETTER TO SHAREHOLDERS

- 8.3 **Summary of Principal Provisions.** Sections 8.3.1, 8.3.2, 8.3.3 and 8.3.4 below set out a summary of the principal provisions of the New Constitution which have been amended or newly added, which are considered significantly different from equivalent provisions in the Existing Constitution, and should be read in conjunction with the proposed New Constitution. For ease of reference, the text of the Regulations of the New Constitution which are different from the Existing Constitution is set out in Annex A with the material differences blacklined.

Shareholders are advised to read the New Constitution **in its entirety as set out in Annex B to the Notice of EGM** before deciding on the special resolution relating to the Proposed Adoption of the New Constitution.

In the paragraphs below, for convenience, the expression “**Recital**” will refer to the recitals under the New Constitution, the expression “**Regulation**” will refer to the provisions under the New Constitution, and the expression “**Article**” will be used for the relevant cross-references to the equivalent provisions of the Existing Constitution.

Capitalised terms not defined in this Circular shall have the meanings as ascribed to them in the New Constitution.

8.3.1 Companies Act

The following Regulations include provisions which are in line with the Companies Act, as amended and/or included pursuant to the Amendment Act 2014 and the Amendment Act 2017.

- (a) **Regulation 1 (Article 1 of the Existing Constitution).** The Fourth Schedule to the Companies Act containing Table A has been repealed by the Amendment Act 2014, and the Companies (Model Constitution) Regulations 2015, being the model constitution prescribed under Section 36(1) of the Companies Act, has been introduced. Accordingly, Article 1 of the Existing Constitution, which provided that the “*The regulations in Table A in the Fourth Schedule to the Act shall not apply to the Company*”, has been amended to state that “*The regulations in the model constitution prescribed under Section 36(1) of the Companies Act, Chapter 50 shall not apply to the Company, except in so far as the same are repeated or contained in the Constitution*”.
- (b) **Regulation 2 (Article 2 of the Existing Constitution).** Regulation 2, which is the interpretation section of the New Constitution, includes the following additional/revised provisions:–
- (i) A new definition of “Constitution” to mean the Constitution of the Company for the time being in force. This aligns the terminology used in the New Constitution with the Companies Act, as amended by the Amendment Act 2014. In particular, new Section 4(13) of the Companies Act collectively deems the memorandum and articles of association of a company prior to 3 January 2016 (being the date on which Section 4(13) came into effect) to be the company’s constitution.

LETTER TO SHAREHOLDERS

- (ii) New definitions of “registered address” and “address” to make it clear that these expressions mean, in relation to any shareholder, his physical address for the service or delivery of notices or documents personally or by post, except where otherwise expressly specified.
 - (iii) A new definition of “Regulations” as the Regulations of the Company contained in the New Constitution for the time being in force. This effectively replaces the provision in the Existing Constitution which defines “Articles”. This ensures consistency with the new terminology used in the Companies Act, as amended by the Amendment Act 2014.
 - (iv) Revised definitions of “writing” and “written” to make it clear that these include any representation or reproduction of words, symbols or other information which may be displayed in a visible form, whether physical or electronic. This would facilitate, for example, a proxy instrument being in either physical or electronic form.
 - (v) A revised provision stating that the expressions “Depositor”, “Depository”, “Depository Agent” and “Depository Register” shall have the meanings ascribed to them respectively in the SFA. This follows the migration of the provisions in the Companies Act which relate to the Central Depository System to the SFA pursuant to the Amendment Act 2014.
 - (vi) A new provision stating that the expressions “current address”, “relevant intermediary”, “treasury shares” and “electronic communication” shall have the meanings ascribed to them respectively in the Companies Act. This follows the introduction of new provisions facilitating electronic communication and the multiple proxies regime pursuant to the Amendment Act 2014.
- (c) **New Regulation 6(B).** Regulation 6(B), which relates to the issuance of shares for no consideration, is a new amendment which clarifies that a company having a share capital may issue shares for which no consideration is payable to the issuing company. This is in line with new Section 68 of the Companies Act.
- (d) **Regulation 13 (Article 13 of the Existing Constitution).** Regulation 13 provides that any expenses (including brokerage or commission) incurred directly by the Company in relation to the issue of new shares may be paid out of the proceeds of such issue of new shares or the Company’s share capital, but such payment shall not be taken as a reduction of the amount of share capital of the Company. This is in line with Section 67 of the Companies Act.
- (e) **Regulation 19 (Article 19 of the Existing Constitution).** The requirement to disclose the amount paid on the shares in the share certificate relating to those shares has been removed in Regulation 19, which relates to share certificates. A share certificate needs only state (*inter alia*) the number and class of the shares, whether the shares are fully or partly paid up, and the amount (if any) unpaid on the shares. This follows the amendments to Section 123(2) of the Companies Act pursuant to the Amendment Act 2014.

LETTER TO SHAREHOLDERS

- (f) **Regulations 69(c) and 69(A) (Articles 69(c) and 69 of the Existing Constitution).** Regulation 69(c), which relates to the Company's power to alter its share capital, has new provisions which empower the Company, by ordinary resolution, to convert its share capital or any class of shares from one currency to another currency. This is in line with new Section 73(1) of the Companies Act, which sets out the procedure for such re-denominations. New Regulation 69A, which relates to the power to convert shares, is a new provision to empower the Company, by special resolution, to convert one class of shares into another class of shares. This is in line with new Section 74A of the Companies Act, which sets out the procedure for such conversions.
- (g) **Regulation 71 (Article 71 of the Existing Constitution).** Regulation 71, which relates to annual general meetings, has been updated to provide that annual general meetings shall be held within 4 months after the end of the Company's financial year, unless otherwise stipulated by the SGX-ST and subject to the provisions of the Companies Act. This is in line with section 175 of the Companies Act, as amended pursuant to the Amendment Act 2017.
- (h) **New Regulation 84(B) (Article 84 of the Existing Constitution).** Listing Rule 730A(2) requires that all resolutions at a general meeting shall be voted by poll. Regulation 84(B), which relates to the method of voting at a general meeting where mandatory polling is not required, has been revised to reduce the threshold for eligibility to demand a poll from ten per cent to five per cent of the total voting rights of the members having the right to vote at the meeting. This is in line with Section 178(1)(b) of the Companies Act, as amended pursuant to the Amendment Act 2014.
- (i) **Regulations 93(3), 98(1A), 98(1B) and 100 (Articles 93(3), 98 and 100 of the Existing Constitution).** These Regulations, which relate to the voting rights of Shareholders, have new provisions which cater to the multiple proxies regime introduced by the Amendment Act 2014. The multiple proxies regime allows "relevant intermediaries", such as banks, capital markets services licence holders which provide custodial services for securities and the Central Provident Fund Board, to appoint more than two proxies to attend, speak and vote at general meetings. In particular:–
- (i) Regulation 93(3) provides that the Company will be entitled and bound to reject an instrument of proxy lodged by a Depositor if he is not shown to have any shares entered against his name in the Depository Register as at seventy-two (previously forty-eight) hours before the time of the relevant general meeting. This is in line with the new Section 81SJ(4) of the SFA.
- (ii) Regulation 93(2) and new Regulation 98(1B) provides that save as otherwise provided in the Companies Act, a Shareholder who is a "relevant intermediary" may appoint more than two proxies to attend, speak and vote at the same general meeting, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such Shareholder, and where such Shareholder's form of proxy appoints more than two proxies, the number and class of shares in relation to which each proxy has been appointed must be specified in

LETTER TO SHAREHOLDERS

the form of proxy. Such proxies shall have the right to vote on a show of hands at a meeting. This is in line with new Sections 181(1C) and 181(1D) of the Companies Act.

- (iii) Regulation 100 provides that the cut-off time for the deposit of instruments appointing proxies has also been extended from forty-eight to seventy-two hours before the time appointed for holding the general meeting in Regulation 100, which relates to the deposit of proxies. This is in line with Section 178(1)(c) of the Companies Act, as amended pursuant to the Amendment Act 2014.
- (j) **Regulations 106 and 153 (Articles 106 and 153 of the Existing Constitution).** Regulations 106 and 153, which relate to the appointment of Directors and Secretaries respectively, has been amended to provide that any person who is debarred under the Act from acting as a Director and/or Secretary may not be appointed. This is in line with Section 155B of the Act, which empowers the Registrar to make an order prohibiting any person who is a Director or Secretary of a company from accepting a new appointment to act as Director or Secretary, as the case may be, of any company if the first-mentioned company is in default of any provision of the Act which requires any return, account or other document to be filed with, delivered or sent, or notice of any matter to be given, to the Registrar.
- (k) **Regulation 110 (Article 110 of the Existing Constitution).** Regulation 110, which relates to the power of Directors to hold an office of profit and to contract with the Company, has been expanded to include Chief Executive Officers, as well as to extend the obligation of a Director or a Chief Executive Officer (as the case may be) to disclose interests in transactions or proposed transactions with the Company, or any office or property held which might create duties or interests in conflict with those as a Director, to also apply to a chief executive officer as defined in the Companies Act. This is in line with the new Section 156 of the Act, as amended pursuant to the Amendment Act 2014.
- (l) **Regulation 124 (Article 124 of the Existing Constitution).** Regulation 124, which relates to the general powers of the Directors to manage the Company's business, clarifies that the business and affairs of the Company are to be managed by or under the direction or supervision of the Directors. This is in line with Section 157A of the Companies Act, as amended pursuant to the Amendment Act 2014.
- (m) **New Regulation 151A.** New Regulation 151A, which relates to when and how minutes shall be kept, is a new provision to provide that the Company's records may be kept either in hard copy or electronic form. This is in line with new Sections 395 and 396 of the Companies Act.
- (n) **Regulations 156, 157 and 158 (Articles 156, 157 and 158 of the Existing Constitution).** Regulations 156, 157 and 158, which relate to the common seal of the Company, have been revised to state that the provisions apply where the Company has a common seal. This is in line with Section 41A of the Companies Act (as introduced by the Amendment Act 2017), which provides that a company may have a common seal but need not have one.

LETTER TO SHAREHOLDERS

- (o) **Regulations 177 and 178 (Articles 177 and 178 of the Existing Constitution).** Regulation 178, which relates to the sending of the Company's financial statements and related documents to Shareholders, additionally provides that such documents may be sent less than fourteen days before the date of the general meeting with the agreement of all persons entitled to receive notices of general meetings. This is in line with new Section 203(2) of the Companies Act, which provides that the requisite financial statements and other related documents may be sent less than fourteen days before the date of the general meeting at which they are to be laid if all the persons entitled to receive notice of general meetings of the company so agree. Notwithstanding this provision, the Company is currently required to comply with Rule 707(2) of the Listing Manual, which provides that an issuer must issue its annual report to shareholders and the SGX-ST at least fourteen days before the date of its annual general meeting.

The references to the Company's "profit and loss account" have also been updated in Regulations 177 and 178 to substitute them with references to the "financial statements" for consistency with the updated terminology in the Companies Act.

- (p) **Regulations 185, 185(A), 185(B), 185(C) and 185(D) (Article 185 of the Existing Constitution).** New Regulations 185(A), 185(B), 185(C) and 185(D), which relate to the service of notices to Shareholders, are new provisions to facilitate the electronic transmission of notices and documents following the introduction of simplified procedures for the sending of notices and documents electronically pursuant to new Section 387C of the Companies Act. Companies can, subject to certain statutory safeguards, make use of these simplified procedures so long as the specified modes of electronic transmission are set out in the Constitution. In particular, the new Regulations provide that:–

- (i) Notices and documents may be sent to Shareholders using electronic communication either to a Shareholder's current address (which may be an email address) or by making it available on a website.
- (ii) For these purposes, a Shareholder is deemed to have agreed to receive such notice or document by way of electronic communication and shall not have a right to elect to receive a physical copy of such notice or document, pursuant to the implied consent regime permitted under the new Section 387C of the Companies Act.
- (iii) Notwithstanding sub-paragraph (ii) above, the Directors may decide to give Shareholders an opportunity to elect to opt out of receiving such notice or document by way of electronic communication, and a Shareholder is deemed to have consented to receive such notice or document by way of electronic communication if he was given such an opportunity but failed to opt out within the specified time, pursuant to the deemed consent regime permitted under the new Section 387C of the Companies Act.

LETTER TO SHAREHOLDERS

For the purposes of this paragraph (p):

- (aa) There is “express consent” if a Shareholder expressly agrees with the Company that notices and documents may be given, sent or served on him using electronic communication. This is provided in the new Regulation 185(A)(1) of the New Constitution.
- (bb) There is “implied consent” if the Constitution of the Company (a) provides for the use of electronic communication and specifies the mode of electronic communication, and (b) specifies that Shareholders agree to receive such notices or documents by way of electronic communication. This is provided in the new Regulation 185(A)(2) of the New Constitution.
- (cc) There is “deemed consent” if the Constitution of the Company (a) provides for the use of electronic communication and specifies the mode of electronic communication, and (b) specifies that Shareholders will be given an opportunity to elect, within a specified period of time, whether to receive electronic or physical copies of such notices and documents, and the Shareholder fails to make an election within the specified period of time. This is provided in the new Regulation 185(A)(3) of the New Constitution.

Under new Section 387C of the Companies Act, regulations may be made to exclude any notice or document or any class of notices or documents from the application of Section 387C of the Companies Act, provide for safeguards for the use of electronic communication under Section 387C of the Companies Act, and provide that a shareholder who is deemed to have consented to receive notices or documents by way of electronic communication may make a fresh election to receive such notice or document as a physical copy and the manner in which the fresh election may be made. Certain safeguards for the use of the deemed consent and implied consent regimes are prescribed under regulation 89C of the Companies (Amendment No. 3) Regulations 2015 of Singapore (the “**Companies Regulations**”). Under regulation 89D of the Companies Regulations, notices or documents relating to take-over offers and rights issues are excluded from the application of Section 387C of the Companies Act. This is provided for in New Regulation 185(D).

On 31 March 2017, amendments to the listing rules came into effect to permit listed issuers to send documents to shareholders electronically under the new regimes provided under the Companies Act, subject to the additional safeguards prescribed under the listing rules. Should the Company decide to make use of the new regimes to send documents electronically to Shareholders, the Company will comply with the applicable listing rules of the SGX-ST.

- (q) **Regulation 199 (Article 199 of the Existing Constitution).** Regulation 199, which relates to Directors’ indemnification, has been expanded to permit the Company, subject to the provisions of and so far as may be permitted by the Companies Act, to indemnify a Director against losses “incurred or to be incurred” by him in the execution of his duties. This is in line with new

LETTER TO SHAREHOLDERS

Sections 163A and 163B of the Companies Act, which permit a company to lend, on specified terms, funds to a director for meeting expenditure incurred or to be incurred by him in defending court proceedings or regulatory investigations.

8.3.2 *Listing Manual*

Rule 730(2) of the Listing Manual provides that if an issuer amends its articles or other constituent documents, they must be made consistent with all the listing rules prevailing at the time of amendment. The following Regulations have been updated for consistency with the listing rules of the SGX-ST prevailing as at the Latest Practicable Date, in accordance with Rule 730(2) of the Listing Manual:

- (a) **Regulation 7 (Article 7 of the Existing Constitution).** Regulation 7 has been amended to clarify that the rights attaching to shares of a class other than ordinary shares must be expressed in the constitution. This amendment is in line with paragraph (1)(b) of Appendix 2.2 of the Listing Manual.
- (b) **Regulation 8(3) (Article 8 of the Existing Constitution).** Regulation 8(3), which relates to the rights of preference shareholders, has been updated to clarify that the total number of issued preference shares of the Company shall not exceed the total number of issued ordinary shares of the Company. This change is in line with paragraph 1(a) of Appendix 2.2 of the Listing Manual.
- (c) **Regulation 74 (Article 74 of the Existing Constitution).** Regulation 74, which relates to the duration and location where general meetings of the Company shall be held, has been updated to reflect the requirement of the Listing Manual, that general meetings of the Company shall be held in Singapore, unless prohibited by relevant laws and regulations in the jurisdiction of its incorporation. This update is in line with Rule 730A(1) of the Listing Manual.
- (d) **New Regulations 84(A) and 87 (Articles 84 and 87 of the Existing Constitution).** Regulation 84(A), which relates to the method of voting at general meetings, is a new provision included to make it clear that if required by the listing rules of the SGX-ST, all resolutions at general meetings shall be voted by poll (unless such requirement is waived by the SGX-ST). Consequential changes have been made to Regulation 87, which additionally provides that at least one scrutineer will be appointed if required by the listing rules of the SGX-ST. These changes are in line with Rules 730A(2) and 730A(3) of the Listing Manual.
- (e) **Regulation 101 (Article 101 of Existing Constitution).** This regulation was amended to provide that an instrument appointing a proxy shall be deemed to confer authority to include right to demand or join in demanding a poll and to speak at the meeting. This is in accordance with paragraph (8)(d) of Appendix 2.2. of the Listing Manual.
- (f) **New Regulation 101A.** This new regulation is inserted to clarify that if a shareholder submits a proxy form and subsequently attends the meeting in person and votes, the appointment of the proxy is deemed to be revoked. This is in line with Paragraph 3.3 of Practice Note 7.5 of the Listing Manual

LETTER TO SHAREHOLDERS

- (g) **Regulation 114(e) (Article 114(e) of the Existing Constitution).** Regulation 114, which relates to the vacation of office of a Director in certain events, additionally provides that a Director shall cease to hold office if he is disqualified from acting as a director in any jurisdiction for reasons other than on technical grounds. This change is in line with paragraph 9(n) of Appendix 2.2 of the Listing Manual.
- (h) **Regulations 116 and 117(c) (Articles 116 and 117(c) of the Existing Constitution).** Regulation 117(c), which relates to the filling of the office vacated by a retiring Director in default circumstances except in certain cases, has been revised to remove the event of a Director attaining any applicable retiring age as an exception to a deemed re-election to office. This follows the repeal of Section 153 of the Companies Act and removal of the 70-year age limit for directors of public companies and subsidiaries of public companies. The revised Regulation 117(c) instead provides that a retiring Director is deemed to be re-elected except where he is disqualified from acting as a director in any jurisdiction for reasons other than on technical grounds. This amendment is in line with paragraph 9(n) of Appendix 2.2 of the Listing Manual. Regulation 116, which relates to the selection of directors to retire by rotation, has also been updated to remove the reference to a Director who is due to retire by reason of age.

8.3.3 **Personal Data Protection.** In general, under the Personal Data Protection Act 2012, an organisation can only collect, use or disclose the personal data of an individual with the individual's consent, and for a reasonable purpose which the organisation has made known to the individual. Regulation 201 in the New Constitution specifies, *inter alia*, the purposes for which the Company and/or its agents and service providers would collect, use and disclose personal data of Shareholders and their appointed proxies or representatives.

8.3.4 **General.** The following Regulations have been updated, streamlined and rationalised generally:

- (a) **Regulation 24.** Amendments were included to clarify that in a transfer of shares, the transferor (except for the Depository) remains a shareholder until the name of transferee is entered into the Depository Registrar or the Register of Members (as the case may be).
- (b) **Regulation 55A.** Regulation 55A, which relates to the certificate of shares to be delivered to the Company in the event of a forfeiture or sale of shares to satisfy the Company's lien, is a new provision that provides for a member's responsibility to deliver the certificate of shares to the Company in the event of a forfeiture or a sale of shares to satisfy the Company's lien.
- (c) **Regulation 76.** Arising from the deletion of the memorandum of association, a consequential deletion has been made in Regulation 76 (existing Article 76).
- (d) **Regulation 80.** Amendments were added to clarify that for the purpose of counting for quorum, one person who is both a shareholder and appointed as a proxy or corporate representative for another, shall not be accounted as two persons to satisfy the quorum requirements. Similarly, joint holders of two or more persons, of any share, shall be treated as one member.

LETTER TO SHAREHOLDERS

- (e) **Regulation 82.** To provide greater flexibility and choice for the purpose of appointing a chairperson to preside over the Company in general meeting, the option of appointing the Lead Independent Director was included in addition to the current option of appointing the Chairman or Deputy Chairman of the Board of Directors.
- (f) **New Regulation 97.** Regulation 97, which relates to the execution of an instrument of proxy on behalf of appointors, has new provisions to facilitate the appointment of a proxy through electronic means online. In particular, it provides that a shareholder can elect to signify his approval for the appointment of a proxy via electronic communication, through such method and in such manner as may be approved by the Directors, in lieu of the present requirement of signing, or where applicable, the affixation of the corporate shareholder's common seal. Regulation 97(3) is a provision which allows Directors to approve the method and manner of, and designate procedures for electronic communication.
- (g) **Regulation 114(b).** All references to unsound mind have been updated to substitute the reference to person of unsound mind with references to person who is mentally disordered and incapable of managing himself or his affairs, following the enactment of the Mental Health (Care and Treatment) Act (Chapter 178A) of Singapore, which repealed and replaced the Mental Disorder and Treatment Act.
- (h) **Regulation 129.** An additional provision was added to make clear that any appointment of an attorney of the Company may be annulled or the terms of his appointment varied, and that third parties dealing in good faith without any knowledge of the annulment or variation, shall not be affected.
- (i) **Regulation 136.** An amendment was made to clarify that an alternate director's signature to any board resolution is good and effective if his appointer for the time being is out of Singapore or temporarily unable to act through ill health or disability.
- (j) **Regulation 159.** This amendment seeks to permit the Directors' powers to implement any authentication or certification procedures by electronic means which the Directors deem necessary or expedient.
- (k) **New Regulation 164A.** This new regulation permits the Company to implement a scrip dividend scheme. Whenever the Directors or the Company in general meeting proposes a dividend (whether interim, final, special or other dividend) be paid or declared on the ordinary shares of the Company, the Directors may further choose to apply the scheme so that shareholders entitled to such dividend may be entitled to elect to receive an allotment of ordinary shares credited as fully paid in lieu of cash in respect of the whole or such part of the dividends as the Directors may think fit.

8.3.5 **Deletion of Memorandum of Association.** The memorandum of association containing the objects clause of the Existing Constitution is proposed to be deleted in its entirety. The objects clause is substituted by a new Regulation 1(C). Regulation 1(C) is a new provision which provides that, subject to the provisions of the Companies Act and any other written law and the Constitution, the Company has full capacity to carry on or undertake any business or activity, do any act or

LETTER TO SHAREHOLDERS

enter into any transaction, and for the said purposes, full rights, powers and privileges. This is in line with Section 23 of the Companies Act, which provides that a company has full capacity to carry on or undertake any business or activity, do any act or enter into any transactions, subject to the law and to the provisions of its constitution.

For the avoidance of doubt, clauses 1, 2 and 4 of the memorandum of association of the Existing Constitution are proposed to be replicated and incorporated into the New Constitution as Regulations 1A, 1B and 1D respectively. A new Regulation 1(E) sets out the currency denomination of the Company's share capital.

Notwithstanding the foregoing, the Company will still be required to comply with the Companies Act and the Listing Manual in carrying on its business and undertaking business activities.

- 8.3.6 **Annex A.** The proposed amendments to the Existing Constitution are set out in Annex A herein, which, for the Shareholders' ease of reference, is presented as a blackline version against the articles of the Existing Constitution. The new Constitution, which includes the amended Existing Constitution, is set out in Annex B herein. The proposed adoption of the New Constitution is subject to Shareholders' approval at the EGM.

9. EXTRAORDINARY GENERAL MEETING

The EGM will be held at The National University of Singapore Society, Guild Hall, Kent Ridge Guild House, 9 Kent Ridge Drive, Singapore 119241 on 18 April 2019 at 10.45 a.m. (or such time immediately following the conclusion or adjournment of the annual general meeting of the Company to be held at 10.00 a.m. on the same day and at the same place) for the purpose of considering and, if thought fit, passing, with or without any modification(s), the special resolution as set out in the Notice of EGM.

10. DIRECTORS' RECOMMENDATION

- 10.1 Having fully considered the rationale, the benefit and the information relating to the proposed adoption of the Share Buyback Mandate, the Directors (except for Mr Charlie Ng How Kiat, Mr Tony Chew Leong Chee, Dr Steve Lai Mun Fook and Mr Roland Ng San Tiong who have abstained from making any recommendation in relation to the Share Buyback Mandate) are of the opinion that it is in the best interests of the Company.
