QUORUM

As a quorum was present, the Chairman declared the Annual General Meeting (the "AGM") open at 10.00 a.m.

INTRODUCTION

The Chairman introduced the Directors, the Chief Executive Officer ("CEO"), the Chief Financial Officer and professionals who were present and apologized for the absence of Mr Roland Ng, the Alternate Director to Dr Steve Lai.

PRESENTATION

The Chairman invited the CEO to present the key highlights of the Company for 2019 and an overview of the Group's financials for FY2018.

NOTICE

The Notice convening the AGM was taken as read.

The Chairman informed the shareholders that he had been appointed as proxy by certain shareholders and would be voting the motion in accordance with their instruction.

The Chairman exercised his right under Article 84 of the Constitution of the Company to demand a poll be taken on the resolutions to be put to vote by shareholders at the AGM. The shareholders were informed that the poll voting would be conducted after all the motions had been proposed and seconded.

ORDINARY BUSINESS:

1. RESOLUTION 1 - DIRECTORS' STATEMENT AND AUDITED FINANCIAL STATEMENTS

1.1 The first item on the agenda was to receive and adopt the Directors' Statement and Audited

Financial Statements for the financial year ended 31 December 2018 together with the Auditors' Report thereon.

- 1.2 The motion was proposed by the Chairman and seconded by Ms Chong Ai Leng.
- 1.3 A shareholder noted that the Company was unable to distribute dividends despite a profitable year for the Group mainly due to poor performance of its fire protection segment for the financial year ended 31 December 2018 ("FY2018"). He enquired the reason(s) for the Company not paying a dividend.
- 1.4 The Chairman replied that although the Group had been profitable for the past 3 years, there were accumulated losses at the Company level as at 31 December 2018. During FY2018, the Company made a loss arising primarily from the downward revaluation of the KA call-put options (-ve c. S\$3.0 million). This thus affected the Company's ability to distribute dividends for FY2018.
- 1.5 Despite the profitable position at Group level, Ms Linda Tan of KPMG LLP added that there were insufficient profits at the Company level during the year mainly due to fair value losses on the call-put options. As a result, the Company was not in the position to declare dividends for FY2018. This is in line with the provisions of the Companies Act where no dividend shall be payable to shareholders except out of the profits of the company.
- 1.6 The Chairman further shared that the Board and Management had been reviewing the needs for restructuring the Company's capital so as to improve its current position. In addition, one of the key focus of the Company is also to identify new business opportunities that could generate sustainable profits to the Group as well as growing the existing businesses such that the Company is able to deliver steady earnings. The Board and Management are committed and continuously working on implementing a sustainable dividend policy.

2. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MR COLIN LOW

- 2.1 As the proposed Resolution 2 was related to the re-election of the Chairman, the Chairman requested Mr Shabbir H Hassanbhai, the Independent Director to take over the conduct of the AGM.
- 2.2 Mr Colin Low who was retiring under Article 115 of the Company's Constitution, had offered himself for re-election.
- 2.3 Shareholders were informed that Mr Colin Low will, upon re-election as Director of the Company, remain as Chairman of the Board and Investment Committee and a member of the Audit Committee and Remuneration Committee. Mr Colin Low will be considered independent for the purposes of Rule 704(8) of the Listing Manual of the Singapore Exchange Securities Trading Limited ("**SGX-ST**").
